SHAWNEE HIGH SCHOOL
Lima, Ohio

Shawnee School now proudly stands where the Shawnee Indian Tribe once reared their tepees. It is for this reason that the Shawnee Indian was adopted as the symbol of Shawnee School in 1926, when the school was first established.

Because of Shawnee's rapid growth and progress in these first twenty-five years, we, the Class of '51, feel that it is a proper time to stop to analyze just what our school is and what it has done. Thus we have chosen as our theme "Shawnee In Review."

Dedication

In the quarter century of the development of Shawnee, few people have given more unselfishly to the dream of a greater and better Shawnee than our superintendent. So in appreciation of his devoted effort, the class of 1951 proudly dedicates this book to Mr. C. G. Lappin, Shawnee's superintendent for twenty-five years.

Administration

Every school needs a governing body to decide its policies. Shawnee has always stressed a strong administration.

Superintendent

Shawnee Centralized School is now ending the first quarter century of its existence. It opened in September, 1926, with seventy-six enrolled from grades seven through twelve, compared with four hundred sixty-two enrolled in the same grades this year. Nine teachers were employed in these same grades in 1926—twenty-two in 1951. Fourteen graduated in 1926, seventy-two in 1951.

Along with mere growth, the school has constantly aimed at improved quality of schooling. More emphasis is being placed upon music, art, dramatics, pupil guidance, health, citizenship, and moral and social development. Our aim for the future is not bigger but better.

School Board

To carry on the business of the school an able Board of Education is necessary.

Principal

Shawnee has made tremendous growth in the two and one-half decades of her existence. This growth includes not only the physical structure and increased size of the student body, but a vast growth in community service and school spirit. One has only to examine the crowded school calendar to know that many organizations and forces are at work to mold the life and character of our school. We are proud that so many of our graduates have transferred the "school spirit" nurtured by educational activities to an active and progressive community spirit. When the record of the future is written, let it reveal the same spirit of cooperation, neighborliness, and helpfulness that has been so prominent in the past. We need each other. Our community and our school will be what we make it. It is democracy at its best.

Seniors

Excelling in all phases of school life, the Class of 1951 looks back at a wonderful and full year at Shawnee.

As the final goal of twelve years of education and learning has been reached, the seniors realize that they are leaving a life never to be recaptured. The reluctance to leave it, however, is overcome by the eager anticipation of the new life awaiting them.

Juniors

OFFICERS

President—Richard Thomas

Vice President—Robert Ware

Secretary—Bonnie Boyd

Treasurer—Wesley Lones

Ranking high as a class, the juniors found themselves having a very successful year with electing their candidate, Oletha Baber, Carnival Queen, presenting their play, "Wedding Spells," and finding ways to raise funds for the all important prom of May 4th.

In the various school activities, members of this class could be found holding offices in organizations, playing varsity sports, and representing the music department, to name a few. They were a busy and prosperous class, looking toward their last year at Shawnee.

Silver Anniversary

Quilna Staff

"What a job! Thank goodness, it's finished!" That's what one might hear from any member of this hard-working staff as the year drew to a close.

Many problems and obstacles were encountered and solved in the course of finishing this year-book. It proved to some staff members that they really had hidden talents.

In this silver anniversary issue the staff has tried, to the best of its knowledge and ability, to give you a truthful and complete picture of Shawnee, past and present.

The Chief Staff in Action

The Chief staff deserves much praise for the fine way in which they have kept us informed of the various activities of our school. Many added features this year have made the paper more attractive and interesting.

The Chief is a fine example of a spirit of cooperation and industry. It shows what can be done with energy properly directed. Much credit goes to the staff and advisers.

F.H.A.

Monthly meetings plus special activities were on the Future Homemakers' agenda for the 1950-51 year.

The special activities were a formal initiation, a square dance with the F. F. A. and Halloween and Christmas parties.

Their greatest contribution to this year was an Easter party for the children at the Children's Home.

F. F. A.

This is an organization in our school to which anyone would be proud to belong. If there isn't a field to be plowed or cattle to be fed, there's always a meeting to attend.

The projects and activities of this group illustrate their active interest in school and home life.

Under the able direction of Mr. Starling, they sponsored a square dance and a skating party. They also entered the District Public Speaking Contest, and the County Livestock Contests held once each month. They were represented by a delegate at the National F. F. A. Convention.

Hi-Y

A new beginning of the Hi-Y has shown many accomplishments for the club as well as its members.

Get well cards were sent to the hospitalized students and teachers. A Thanksgiving basket, filled with groceries and meat, was given to a needy family in the community. Money for the Y.M.C.A. World Funds was donated by the club. Cake raffles aided them in obtaining the money for these projects.

After a two year lapse, the Spanish Club was again chartered under the able leadership of Senor Baca.

Highlighting the year's activities was the initiation of the first year students, held at the home of Lester Bowsher. Other meetings were: a hayride-wiener roast, a Christmas party and a spring party. At their meetings the members sang Spanish songs and talked entirely in Spanish.

The club was very active outside of the parties and festivities, as they corresponded with high school students from other nations and countries such as Spain, Puerto Rico, Chile and Mexico. Several very interesting letters were received.

"Hasta luego, senores y senoritas."

Band

If you happen to be in the music room about fifth period, you might hear a very exasperated Mr. Mills shouting, "No! No! trumpets, let's play it the way Bach wrote it," or "That's good, trombones, but we're not playing that song."

Speaking seriously, the band has been very active in playing for football and basketball games, giving a concert and playing in the district contests.

Thanks to the patience and very able direction of Mr. Frederick Mills, the band enjoyed a very successful year.

Orchestra

The orchestra, reorganized this year under the capable direction of Mr. Frederick Mills, made various appearances, the most important being at the Junior and Senior Class Plays, and at Commencement. Although it is still small in number, the orchestra has good prospects of becoming a larger and better organization in another year.

Jr. Band

The newly organized junior high band made its major appearances of the year by playing for a P. T. A. meeting and presenting two selections at the annual band concert. It was also heard playing at the junior high basketball games.

Girls' Glee Club

Singing under the leadership of Harold Beckett, the girls rendered the melodious "Gianina Mia" at the Carnival Minstrel.

They spent the spring days practicing contest numbers and preparing music for their assembly program. Their efforts were highly rewarded.

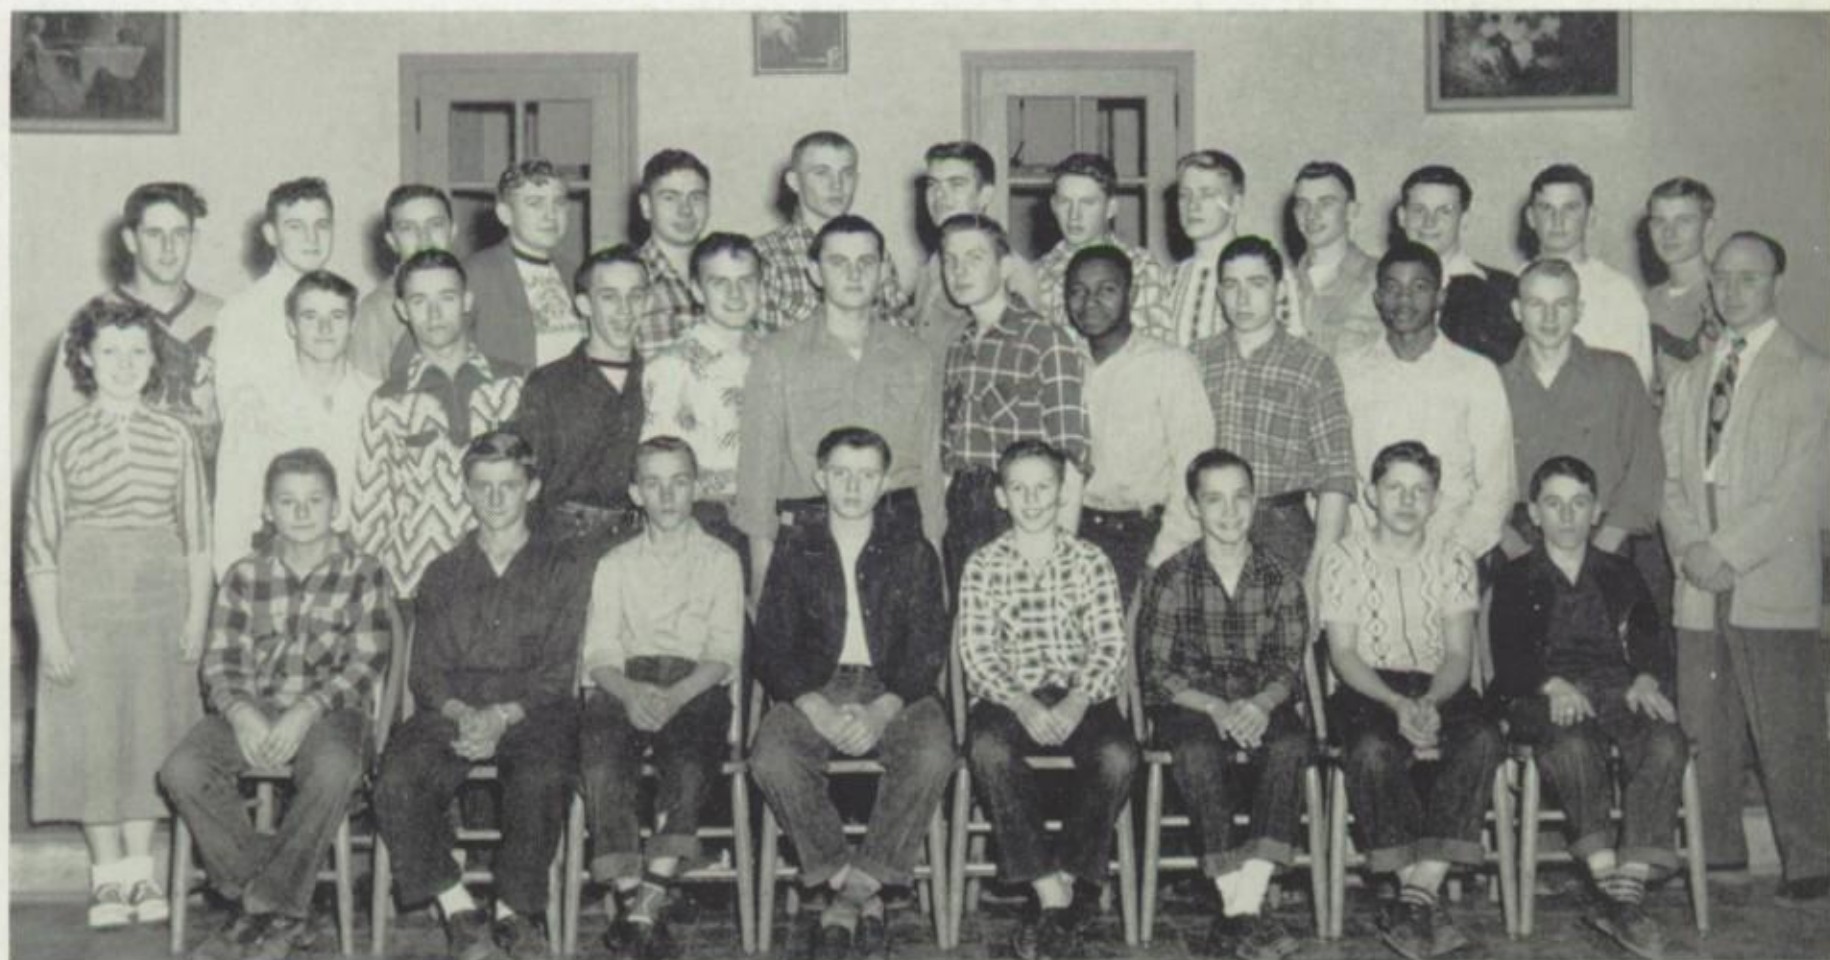

Boys' Glee Club

The autumn days found these boys diligently working to make their part in the minstrel a success.

Following this, their musical talent was centered on the spring contest work. Soloists, ensemble groups and the entire glee club were proud to bring back their high ratings.

A Cappella Choir

The seventy selected members of the mixed chorus comprising the A Cappella Choir worked whole-heartedly to make this twenty-fifth anniversary year a silver year in music.

Under the able direction of Harold Beckett, the Choir presented a Christmas program of varied selections, and sang for a religious meeting at Central High School.

In the spring contest work, the Choir showed admirable musicianship.

Sports

Never before in the history of Shawnee did the school's name reach such prominence in the field of athletics as in 1950-51.

The girls used to play basketball, too.

Football

The first undefeated season in the school's twenty-five year history was registered this year. The team, under the able coaching of Wilbur Byerly, also secured their second league championship in a row.

The defeat of St. Rose, one of the area's stronger teams, and the overpowering of Columbus Grove, previously unbeaten, highlighted the Silver Anniversary Season.

The Indians once again placed men on the All-League team as Jay Shaw, Gib Knecht and Paul Clayton received honorary positions.

The season's record talks for itself and we can only add congratulations to the great squad and coaches.

Basketball

The cagers came through this year in true silver anniversary style, with a very impressive 16-5 record. In twelve league games the Indians dropped only two, both of which were lost by only one point. They won ten games, thus making the Bucks undisputed league champions.

In non-league play five games were won and three lost. Among these was a very decisive victory over a previously undefeated Cridersville five by the score of 84 to 62.

The Indian cagers made a very fine showing in their debut into the Class "A" Tourney, by defeating a strong Lima South team and holding their own with Lima Central, a championship team.

Coach Penhorwood and the entire squad can be very proud of a fine season's showing.

The initial game of the 1950 baseball season, which was also the opening game in the Allen County Tournament, was dropped to Gomer 10 to 5. The Indians came back strong in regular season play to cop five wins while losing only one.

A word of praise should be given to seniors, Ross Bowsher, who turned in a fine performance from the mound this season, and Dick Jackson, who led the squad in batting.

Coach Paul Hughes lost only three members from the 1950 nine—Ross Bowsher, Bob Mayer and Dick Jackson. Returning to the '51 season was an experienced nucleus of varsity award winners Jay Shaw and Gib Knecht, three-year lettermen; Neil Shaw, two, and Len Volbert and Frank Cooper, one.

Track

The Shawnee thinlies turned in a very commendable record on the cinders, during the '50 season, by winning most of their meets.

The Indians collected one of numerous wins at the Northwest Conference Track Meet, held at Pandora. The local thinclads also showed well by coming through in a hair-raising finish to tie Ada in the annual Jr. Olympics.

In lesser important meets, the Bucks copped victories in a four-way meet consisting of Spencerville, Elida, Lafayette and Shawnee, and a dual meet with Spencerville, while dropping a two-way affair with Bellefontaine.

Junior High Track

Row 1—Copeland, Plummer, Kerr, Gallup, Deckrosh, McDorman, Hoefler, Jennings.

Track

Traveling to the Bowling Green District Track Meet, the tracksters made a fine showing as they gained a respectable fourth place, and qualified in two events for the State Finals at Columbus. Gib Knecht and Jay Shaw qualified in the pole-vault, and Frank Cooper, Les Kennedy, Jay Shaw and Jack Collert in the mile relay team. At Columbus Gib Knecht came through with a tie for second in the Class B pole vault finals.

Don't Expect To Get Something For Nothing

Your high school education, for example, was anything but free. It cost your parents, and other taxpayers, plenty. And it required a lot of personal effort on your part to earn your diploma.

You've got to work for most everything that's worthwhile. Neither riches nor security will come to you on a silver platter.

Your future, and all America's, is well worth working for. We have every confidence in the ability of the Class of '51. Congratulations!
